Make it a Kenwood Year... The Kenwood 2021 calendar is filled with images and product photos. Kenwood Dealers can utilize the calendars as a great advertising tool to promote your business, or as a way to say thank you to your current customers, or prospects.

Personalize your calendars by adding your dealership name, logo, address, phone number and website to the lower front of each calendar. Your dealer information will be visible throughout the entire year.

Calendars are priced at \$4.75 each with a minimum order of 50 required and may be ordered in increments of 25 above minimum order with no limitations. In addition, a Kenwood logo printed envelope is available for mailing purposes at an additional cost of 0.89¢ ea.

Please send in your order commitment no later than September 30th, 2020 to be included in this special offer. Calendars will begin to ship out towards the end of October, 2020, if not sooner in time for the holiday season.

Please Note: Personalized data (dealership logo, name and information) can be entered onto the front of each Calendar in black ink to customize for your business. The setup/press run fee to add your personalized company information is only \$79.00.

The 2021 calendars may be reimbursed at 100% through your co-op account.

Please visit acbincentives.com/kenwood to claim you co-op reimbursement.
